We welcomed the month of November with colder but awesome weather, new songs and fun activities. We learned about corn, pumpkin pie, the color orange and reviewed the letters F,I,G and numbers 1-10. For music and movement the children enjoyed listening to the sounds of forest animals, "We Are Going On A Bear Hunt" and "Autumn Leaves Are Falling Down" action songs. They played with shaving cream with a hint of food coloring to reinforce orange, our color of the month. For science, we smelled and touched real pine cone to enhance their learning. They absolutely loved this hands on activity!
