In the News..... 2015

Wow! January flew by fast and we are now on to enjoying the month of February. We have a lot of fun things planned this month. Valentines Day parties will be held on February 13th and party sign ups will be posted outside each classrooms door. Valentines cards and goodies are welcome- please make sure there are enough for the whole class.

Parents- Please remember that CLLC will be closed President's Day February 16, 2015 in order to provide our teachers with our semi annual in-service training. We will be open at our regular time February 17, 2015.

To go along with our awesome February Curriculum: Transportation, we will have a couple of Vehicles at the school

To help our preschools understand transportation a little better not only through discussion but visually as well.

Parents of schoolers: don't forget you can drop off your children for holidays, spring break and Christmas breaks but full time rates will apply for the breaks. Just a little reminder for full day in service days at school we do charge and additional \$18.00. For early release days there is no additional charge. We will have sign-up sheets for Spring break in the up-coming weeks.

All of us here at Childrens Lighthouse would like to thank each and every parent for entrusting us with your child's care every day.
