 30875 Rancho Vista Rd.

Beat the Heat!

Tips to stay cool this Summer

- * Drink plenty of cool water.
- * Make home made popsicles with juice and fresh fruit, then freeze in the freezer to enjoy later in the day.
- * Enjoy at day at the beach, don't forget to bring an umbrella to bring in some shade.

Wednesday Fun

Please bring your child ready for Wednesday splash day with water shoes and an extra pair of clothes in a bag. Don't forget to apply sunscreen before coming to the lighthouse as it continues to get hotter in the morning!

Parent reminder:

As we head into fall we like to just remind current parents as well as new parents to please label your child's clothing with his or her full name. please also provide an extra set of clothing to be kept inside your child's cubby.
Thank you!

Frogs - Infants Room 1

Theme: Water

Color: Red, White and Blue

Shape: Octagon

Baby Sign: Hurt

Nursery Rhyme: Frogs at the Pond

Song: Row, Row, Row your Boat

Yay! July is here and we can't wait to learn about our country and celebrate together. Our friends in room one will be creating lots of fun, hands-on arts and crafts using our colors of the month: red, white, and blue. Along with July comes the summer heat which allows us to explore lots of water play and indoors and outdoors! We will be using our imagination as we play with boats in water filled tubs, as we do this we will sing our song "row, row, row your boat" as our

friends continue into their water play adventures they will see different animals! This is where we will find out each animal and what part of the ocean they live in. This month is a fun filled adventure; come and join us.

Thank You,

Ms. Amber

Owls- Room 2

Theme: Inside and Outside

Color: Red, White and Blue

Shape: Octagon

Baby Sign: Hurt

Nursery Rhyme: This is my Turtle

Song: Hokey Pokey

We are having so much fun this summer, and there is so much more to come! July is a very exciting month, we get to explore with items that we use inside. For example our picture books and dress up clothes also some items that we use outside like trucks, warm and cool water. Not only will our friends get to create a hand-crafted American Flag but they will continue to use the colors red, white, and blue to create other fun crafts. What's more fun

then exploring our classroom? Lets try exploring outside we can take nature walks and go on buggy rides and explore plants, flowers, and much more while were outside! Join us for another historic July.

Thank You,

Ms. Krystal

Bumble Bees - Infants Room 3

Theme: Inside & Outside

Color: Red, White, Blue

Shape: Octagon

Baby Sign: Hurt

Nursery Rhyme: This is my Turtle

Song: Hokey Pokey

The summer heat is upon us, during this hot month of July comes lots of water play and fun activities. The infants will learn about the concept of inside and outside, also playing with warm and cool water. Along with water play activities we will explore oatmeal and cornmeal. Lets celebrate Independence day by painting with the colors of our American Flag: red, white, and blue celebrating our country. Crawling through

tunnels and dressing up in our dramatic play will help us as we work on our gross motor skills. You might catch us dancing around to the hokey pokey! I am looking forward to another exciting month.

Thank You,

Mrs. Cristina

Ladybugs - Preschool Room 4

Theme: In our USA, Out in Space, In the Desert, Rainforest, and City.

Numbers: Concept of 1-10

Color: Red, White, and Blue

Letters: Reviewing A-Z

Good-Bye June, Hello July lets make some creative art like Flags out of popsicle sticks and paint them red, white, and blue like our American Flag, or how about some marble painted planets, or my favorite a cactus from the desert out of tissue paper and toothpicks. This journey doesn't end yet we still have our water play days and a dress up day so come and wear your favorite western

gear! Show your fourth of July spirit and wear red, white, and blue on Thursday to celebrate independence day with our lady bug friends here at the lighthouse.

Thank You,

Mrs. Katie

Whales– Preschool Room 6

Theme: In our USA, Out in Space, In the Desert, Rainforest, and City.

Numbers: 4-10, Review concept of 10

Colors: Red, White, and Blue

Letters: Review All

We are making a splash this summer on our exciting journey. Lets make a fruit flag for our fourth of July or make a flag out of popsicle sticks. Blasting off in to space we are creating jars of stars that we can take home and watch them glow in the dark. My favorite theme this month is in the desert where we will get to make cactus with tooth picks! This journey will continue in to the rainforest we can have a monkey snack and go on a jungle ride into a rainforest. Its cold and dark in there so we will experiment in our

class to make rain out of plates and string. We have to take our jeep on into the city to see the statue of liberty, a museum, the white house, with more stops to come. Celebrate independence day with the lighthouse by wearing red, white, and blue.

Thank you,

Ms. Kristi

Farm Friends - Preschool Room 7

Theme: In our USA, Out in Space, In the Desert, Rainforest, and City.

Phonics: review

Numbers: 10-20

Letters: T-W

June sped on by and were finally in July. Here are some things we will be creating in some of themes: handprint eagles and the American flag while we are in the USA. Out in space we will be making a planet mobile out of plates and paints. The desert we will be taking toothpicks and sand and making a cactus also a paper plate snake. While we go on a nature walk in the rainforest to find some

toucans with our binoculars and even eat a snack with the monkeys. Come take a taxi ride in to the city with us where we will grab a slice of pizza while were in town. Its going to be a great July

Thank You,

Ms. Alyssa

Fish Friends - Pre K Room 8

Theme: In our USA, Out in Space, In the Desert, Rainforest, and City.

Phonics: Review

Numbers: Review 11-20

Letters: T-W

As we continue our journey we will be going to learn about the USA, we will write to our President, also create a fun flag project out of popsicle sticks. Moving up and away we will be going out in space making a solar system mobile and learning about all our planets! Now its time to travel on into the city we will have fun making career puppets and

learning about the different cities we are all from. There are many more stops to come on our journey. I can hardly wait to continue this journey this July with you all.

Thank You

Ms. Nadine

Safari—Pre K Room 9

Theme: In our USA, Out in Space, In the Desert, Rainforest, and City.

Phonics: Review Blend Words

Numbers: Review Number Combos

Poems: It's My USA

Independence day is finally here! We are looking forward to celebrating this week by creating an Eagle, using our own handprints. We will also paint some fireworks and make an edible flag out bananas and strawberries, even some blueberries. During our circle time we will be sharing some fun facts about each of the places we will be going on a journey too: out in space, in the city, and the rainforest. We cant forget about our splash

Wednesdays; our Wednesdays just became a little more awesome this month we will be playing a new sponge toss game and even a ring toss like horseshoe, to continue our fun in the sun!

Thank You

Mrs. Mary

School Age - Room 10

Theme: In our USA, Out in Space, In the Desert, Rainforest, and City.

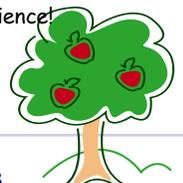

Character Value: Independence

July is here and were blasting off into infinity and beyond we are racing through our journey in our rocket ships learning about in our USA we will learn about our independence day, creating a fruit flag and a rocket ship for our flat Stanley to blast off to the moon. Our next stop we will learn about planets and then travel to the city where we can have a slice of Chicago style pizza! After were finished roaming through the city we will head to the desert to

spot lizards and snakes and even make a cactus out of toothpicks. Our last stop this July is the rainforest where we will going on a nature walk and find different animals all over the rainforest, lets finish our month with another science experient!

Thank You,

Ms. Lorie

Director's Corner—Ms. Janice

We are off to a great summer with many fun activities we are doing in all the classes! Water Play day has been filled with fun water sports and relay games! Our classrooms will be discovering different cities, places to visit and even outer space in the week to come. All classes have begun their flat Stanley project and we are looking forward to follow where flat Stanley is visiting each week!

All classes have begun their flat Stanley project and we are looking forward to follow where flat Stanley is visiting each week! Please bring in any pictures you take with Flat Stanley around the town or on vacation!

Notes From the Kitchen

Fruit Flag

What you'll need

- 29 large strawberries, 30 large blackberries
7 or so large bananas, Lemon juice

How to make it

1. Hull and halve 29 large strawberries and set them aside.
2. Arrange 30 large blackberries, as shown, in the upper left corner of a serving tray or cutting board (it should be at least 8 by 13 inches).
3. Cut 58 banana slices, 3/4-inch-thick, into a bowl. Sprinkle on lemon juice and toss the slices gently with a rubber spatula to keep them from browning.
4. Assemble the banana slices in rows as shown and top each slice with a strawberry half
