Dress Up & Contest!
Thursday, July 2nd, 2015

Child with most likes on our
Facebook page will win a

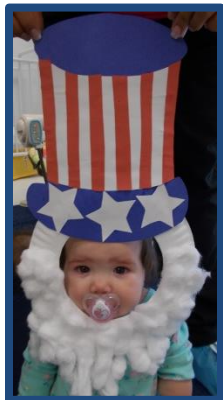

FREE WEEK OF TUITION!

Room 1

Ms. Diana & Ms. Kendra

In June we talked about “Mommies and Daddies.” We read and talked about how important they are to us and how much they love and care for us. We also did artwork and made bumble bees, corn stalks, and sunflowers to learn about the color yellow. We also made a special card for Father’s Day. For our sensory projects we explore with pots and pans and played in flower.

What we are learning in July

Theme: Inside & Outside

Shape: Octagon

Songs: Hokey Pokey

Color: Red, White, & Blue

Fingerplays: Where is

Thumbkin

Baby Sign: Hurt

Welcome!

Thomas

Room 2

Ms. Ana, Ms. Mary Ann, & Ms. Jennie

We are so happy because summer is here! In June we learned about the color yellow and painted trucks, suns, lions, and pineapples! We had fun learning about Mommy and Daddy and reading lots of books about them and how important they are to us! We had fun singing our songs “Ants go Marching in and Pat-a-Cake” with our teachers.

Room 3

Ms. Anneliese, Ms. Aeisha, & Ms. Heather

In June we learned all about Mommies and Daddies, and what they do to take good care of us! We introduced what a square is and what the color yellow looks like and where we see them in everyday life. We made gifts for Daddy in reflection of Father's Day. We also got to do an awesome sensory project with mixing chocolate pudding, shaving cream, and paint together to pretend like we were playing in mud! We learned about how to have a picnic outside and ate our morning snacks on the blanket! During our picnic we discussed the hot weather and what we see around us during the summer season.

Welcome to our new friends: Asiah, Braedon, Kenny, & Alyssa

Now Enrolling for Fall!

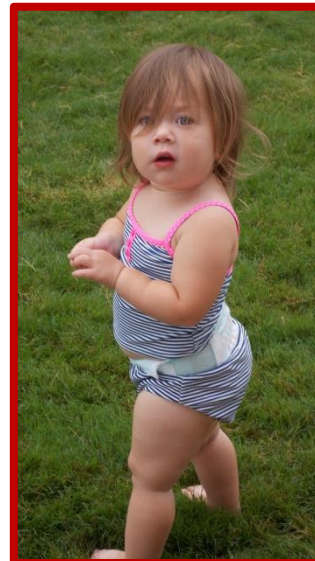

We will be providing before and after school care at the following elementary schools:

- Bolt
- Langley
- Potranco
- Lieck
- Hoffman
- Galm
- Ott
- Behlau

Room 4
Ms. Miriam, Ms. Rachelle, & Ms.
Jessica

In June we focused on "My Family." We discussed that our Aunts, Uncles, Cousins, and pets are all part of our family. We had fun making picture collages and Father's Day crafts for Dad. We also enjoyed learning about the color yellow and created suns, giraffes, and yellow shaving cream! One of our favorite books during circle time was "I Love You Mommy."

Open House – Meet the Teacher

August 15th

Saturday 9 a.m.–12 p.m.

Stop at the front desk to reserve a
vendor booth!

Limited space available.

Room 5

Ms. Ashley & Ms. Selena

July Summer

Reality Journey Curriculum

For the month of June we enjoyed getting to know all our new friends who moved to Room 5 from Room 4.

We also got to meet friends that are brand new to Children's Lighthouse! The transition went nice and smooth and they are enjoying their new environment. We had fun learning about different themes each week.

We made passports for Japan, Italy, and Paris. We learned about traffic safety signs that we see when we are traveling and driving. We really enjoyed exploring the Savannah and types of animals and cultures seen there. The children had a great time pretending to be Safari animals and wore masks while marching in an animal parade!

Week 5: In the Desert

Week 6: On the Beach

Week 7: Under the Ground

Week 8: In the Tropical Rainforest

Welcome

All our friends that moved up from Room 4, and our new friend James!

Happy Birthday!

Room 7

Ms. Yvette & Ms. Wendy

In June we started our weekly themes including, In the Prairie, Getting Ready to Go, In the Savannah, and In the USA. We learned about the types of animals that live in the Prairie and Savannah. We learned about Prairie Dogs and how they live underground and get around by making tunnels. We also made a book on animals we find in the Savannah! Check out your child's art folder so you can take it home and read and color it together! For our last week we focused on travel safety, transportation, and traveling in the USA! We looked at globes and all the places we can visit and different forms of transportation to get there. We discussed summer and travel safety as well so we can be prepared and have fun on our adventures! Friendly reminders: Please bring a plastic bag on Fridays for splash day. We will need them for your child's wet suit and towel. Also please do not bring in food from home. We do have other children with food allergies. Thank you for your cooperation! Have a fun and safe summer!

Rainforest**

Welcome!
Landry and Aaralyn

Room 8

Ms. Alisha & Ms. Kasey

In June we took a journey to new and exciting places including: The Prairie, Savannah, & USA. We took a map and learned about places around the world and how to get there. We learned about all the animals that live in the Prairie and Savannah. Ms. Alisha brought in a giraffe that smelled like lavender, we loved that for our sensory experience! We also made giraffes with our handprints! For "Getting Ready to Go," we enjoyed learning about transportation and safety. We made helicopters out of tinfoil and egg cartons. Come in and take a look at the art treasures we've gathered along our travels!

This month we reviewed a lot over our summer safety rules, field trip rules, and our bus safety rules. We have been doing a lot of fun group activities to learn about our monthly themes: On the Prairie, Getting Ready to Go, On the Savannah, and In the USA. Don't forget it's getting hot and we still go outside twice a day. Feel free to bring sunglasses and hats!

Ms. Nicole, Ms. Kandice,
Ms. Ruth, & Ms. Kayla

This month we started Summer Camp! Our first week we focused on our theme, “Getting Ready to Go.” Everyday we discussed our rules and travel safety tips to prepare for our fieldtrips. We went over different ways of transportation and even created our own wagons! The VIA bus made a special appearance at the center and took us on a ride around town. While on the bus we went over the importance of following safety rules of the bus as well as getting on/off. The next week we focused on “The Savannah.” We talked about what we see in the Savannah and the different types of animals that live there. We enjoyed our fieldtrips to Fiesta Farms, Japanese Tea Garden, and the swimming pool! For our last week we are learning about our USA and visited the Institute of Texan Cultures and San Antonio Missions.
