June Recap:

Last month we focused on the importance of safety. We talked about all kinds of safety rules. We also talked about character values. The children worked in groups and discussed them as a class. The children enjoyed working with the Senior Summer Camp class. The last few weeks we have done indoor and outdoor activities together, it's been a fun experience for them. We will continue work in groups together throughout the summer. I would also like to thank the dads that joined us for our Lego Building Contest!

Upcoming July:

This month we will continue working and discussing in our class groups. The children will also continue having weekly theme group activities and crafts. Please remember we are now going on field trips, don't forget sunscreen. I will also apply sunscreen before all field trips. Don't forget the Center is closed July 4th, Happy Fourth of July special Thank you to Military Parents and families.

Donations: Any old board games for Table top group games.
