# Room 1 Ms. Gabi, Ms. Azalia & Ms. Leandra

Theme: Inside & Outside

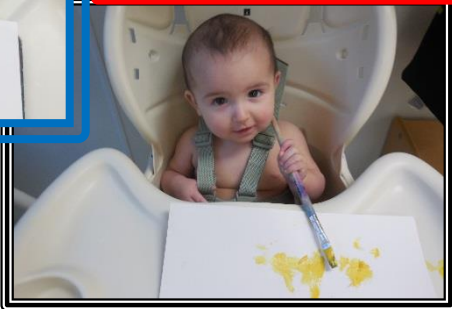

Color: Red, White & Blue

Shape: Octagon

Nursery Rhyme: This is my Turtle

Song: Hokey Pokey

Sign: Hurt

In June we had a blast learning and singing “Ants go marching” using our stroller during our outside time. We painted with the color yellow and had fun making our Father’s Day craft. We learned how to sign Mommy & Daddy. We love the sounds our hands make as we played Pat-a-Cake! In our prop box we got to explore cooking and gardening.

This month we will be learning the baby sign for “hurt”. We will help our little ones celebrate the 4<sup>th</sup> of July by learning about the colors red, white and blue. Our theme for the month is inside and outside! We will get to see what’s inside boxes in our class, as well as opening and shutting boxes. We’re looking forward to learning and singing the Hokey-Pokey! We want to congratulate our graduates that moved to room 11: Luke, Tess, Keric & Kira! You will be missed

Happy Birthday: Tess, Keric &  
Ms. Darlene

We had fun reading books about our Daddies and Mommies. We read You Go Away, Daddy Daddy Be There & Are You my Mother? We painted with the color of the month which was yellow and painted our shape which was square. For our sensory activity we put our fingers and toes in flour and also played with floating fish.

This month we will be reading books like "I see the Moon" and we will be singing "This is my Turtle". Our little ones will be painting & pasting octagons. We can't wait to make American Flags with our hands and foot prints. Through our sensory activity, we will experience warm and cool water, and we will also be making a one piece puzzle.

We want to Welcome our new friends: Luke, Keric, Kira, Tess & Mia. We also want to congratulate Jaxon, Makenna, Nuha, Deacon, Genevieve & Harrison for moving to the next class, you will be missed.

# Room 3 Ms. Kaleen, Ms. Jordan & Ms. Stephanie

In June our friends talked about our Mommies and Daddies! We learned about our families and made a family tree. Our friends also touched flour using their toes and fingers. We watched our class plants grow as we grow along with them.

This month we will be learning about opposites such as "inside" and "outside" We will be talking about 4<sup>th</sup> of July, as we learn about the Independence Day, we will also talk about the flag and its colors (red, white and blue) We will sing to the tune of Hokey Pokey

# Room 5 Ms. Megan, Ms. Kim & Ms. April

For the month of June we learned about transportation and we also learned about the different traffic signs we see when we are driving with mommy and daddy. We also got to explore different states like North Carolina, Colorado & Idaho! In North Carolina we got to learn about a race track and race cars! We even got to have our own race cars made in our class! In Colorado we got to explore the Rocky Mountains and the forest around it. We also learned about the animals and plants that live in Colorado, and why it's important to keep the Earth clean! Our last stop was in Idaho. We got to see what animals live on a farm and what foods we get from farms! Along our trip we learned the letters F, P, S, Q, U and Y. We are excited to learn about New Mexico, Washington DC, Hawaii & Florida. We want to welcome all the kids that came from rm4 & also welcome Layne and Gabriella that joined us in the beginning of summer! We also want to welcome Ms. Kim to rm5. Good bye to all the wonderful boys and girls that moved to rm6.

# Room 6 Ms. Mari, Ms. Darcy & Ms. Jeanette

In June we began traveling to different states in the United States. We started in North Carolina then traveled to Colorado and ending the month in Idaho. We learned about traffic lights, traffic signs and transportation.

We raced cars and painted trophies. We learned about speedways and learned new songs. We saw pictures of Rocky Mountains, learned where the states are on the map. We ran around with binoculars for our bear hunt and made beehives. We learned about farms in Idaho and what kind of food are grown on the farms. We learned so much in June! It was a fantastic way start to the Summer!

In July we will be traveling to New Mexico, Washington D.C, Hawaii and Florida. In New Mexico we will be learning about deserts, In Washington D.C we will be talking about presidents and about monuments. In Hawaii we will be learning about Volcanos, oceans, surfing and the different foods and animals that live there. In Florida we will be learning about different temperatures, climates and about Disneyworld! We would like to say hi & welcome to Ms. Jeanette and all the friends that came from rm5.

Happy Birthday to Miranda, Vincent, Otto, Elisa & Ms. Darcy

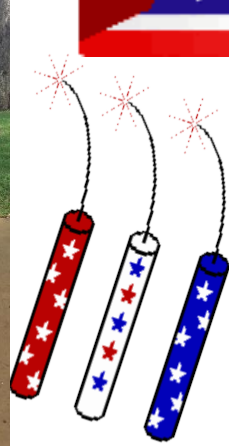

# Rm 7 Ms. Denise

We had so much fun welcoming Summer!! Making our very own passports was the best! We already collected two stamps from North Carolina & Colorado! Our first Splash Day was a great success, the kiddos had a blast!

In July we can't wait to celebrate our country's independence! We are excited to make some special American Flag crafts! We are also going to learn all about Idaho, New Mexico & Washington D.C! We would like to say good bye to all the kids that moved to room 8. We are going to miss all of you. We also want to welcome our friends from rm 6, we are happy to have all of you in our class.

We want to wish a Happy Birthday to Braylon, Colton, Bruce & Tatum

# Room 8 Ms. Adriana, Ms. Jenna, Ms. Katy & Ms. Kayla F.

For the month of June we had fun learning about transportation and we took a journey through the United States. We had a blast driving our cardboard racing cars outside on the playground. We learned interesting facts about the states of North Carolina, Colorado & Idaho. We had fun doing arts and crafts like painting our state flags, state flowers, making binoculars and bear masks. We also reviewed the letters and numbers and sight words "I" and "see". On Fridays, we are loving Splash Days!!

For the month of July, we are going to continue our journey through the United States. We will learn about New Mexico, Washington D.C, Hawaii and Florida. We will continue to have an awesome time on Splash Days! Happy Birthday Isla, Allister, Michael & Ms. Kayla

# Room 9 MS. RACHEL, MS. KAYIA M. & MR. JAMADI

In June a few of our campers had the opportunity to experience field trips for the first time!! Our veteran campers proved to be great leaders. They had a blast at the Witte Museum, where they learned about the animals that used to live on earth millions of years ago. We also enjoyed our trip to the San Antonio Fire Museum, the firefighters allowed us to try on some of their equipment they use to fight fires. Our Junior campers are ready to continue experiencing more field trips this month. We will be visiting Raymond Russell Park, H.E.B, The Planetarium, Japanese Tea Garden, & the San Antonio Aquarium.

# Room 10 Ms. Maria M, Ms. Kayia M & Mr. Bront

In June we explored into so many different field trips. With that we have also experience several science & crafts projects. The class has also begun to make new friends and catch up with returning friends. In July we will continue to explore into other summer field trips.

We will also learn about different states all around the U.S. The class will take a step further with some new science and crafts projects.

We would like to say hello, to all the new and returning Summer Camp kids!

Happy Birthday to Jenna, Savanna, Harrison & Gabriel.
