Our theme for the month of March is the Senses! We will be learning all about the color green, the sign hot, and the shape clover. We will also be learning the song Baby Bumble Bee as well as the rhyme Clap, Clap, Clap Your Hands.

Toddlers Room 4

Room 4: Ms. Heather & Ms. Carmella

Our Theme for the month is Fruit and Vegetables. The baby sign is Hot and our shape is Clover. The song we are learning is We Planted a Little Seed. Our color is Green and our rhyme/ finger play is Grow Little Seed. We will also have tons of fun art projects and activities!

Room 5

Ms. Allison & Ms. Myra

We are learning all about Food and Nutrition this month as well as Farm Animals for our Science and Nature Unit. We will be recognizing rhyming pairs and identifying geometric shapes. We will also be reciting the alphabet in sequence, comparing things by measurable attributes, and matching words with pictures. We will have tons of fun art projects such as Easter Egg Golf Ball Paint, Muddy Pig, Cotton Ball Sheep, Farm Animal Windsocks and Rooster Paper Plates.

Preschool Room 6 and 7

Room 6: Ms. Cathy & Ms. Carmen

Room 7: Ms. Samantha & Ms. Ashley H.

For the month of March, our theme is Food and Nutrition. We will be learning about Farm Animals in our Science and Nature Unit. Humor is our character value for the month so we will be reading tons of Dr. Seuss! Our letters are K, Q, and V. For art we will be mixing two primary colors to make secondary colors.

Director's Corner

Dear Parents,

All parents should stop by the front desk to find out if your child's 2014-2015 enrollment information and immunization records on file are current and sunscreen forms are turned in.

Don't forget! We will be having our annual Summer kick off this Spring Break March 9th-March 13th! We have a ton of fun activities planned as well as a fieldtrip for our school age children!

We wanted to remind all of our parents to please hold your child/children's hands in the hallway while dropping off/picking up. It is a safety hazard for them to run down the hallway and we want to make sure to always keep our wonderful children safe!

Again, thank you for welcoming me into your amazing center! I have thoroughly enjoyed the past month and am excited to continue getting to know each family personally. Please feel free to stop by my office at anytime.

To all of our new families, we want to welcome you to Children's Lighthouse, and look forward to a great year. Any questions or concerns please see the front office.

Room 8

Ms. Mary, Ms. Maria & Ms. Visa

This month we will be learning about Foods and Nutrition. Our Science and Nature Unit will be Farm Animals and our Character Value is Humor. We will be matching upper and lower case letters, identifying initial consonant blends, recognizing rhyming pairs and writing our names.

We will also be recognizing coins as well as adding and subtracting 1-10, identifying and creating sets 1-20.

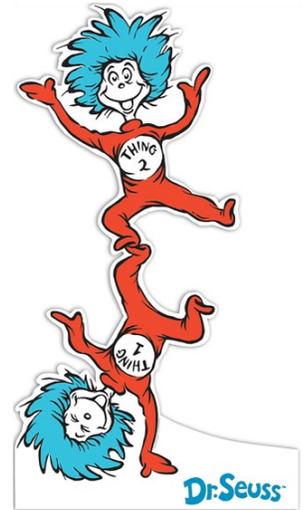

Showing our Character Value!

Humor-The quality that makes something laughable or amusing.

Room 9

Ms. Ashley B.

For the month of March we will be learning about Foods and Nutrition as well as Farm Animals for the Science and Nature Unit. We will be practicing our handwriting as well as doing Scrambled Egg Spelling. We will also be doing fun art projects such as Easter Egg Marble Painting, Muddy Pig, Cotton Ball Sheep and Farm Animal Windsocks.

Room 10

Ms. Bre

This month we will be learning about the American Revolution. We will learn about the Boycott, Liberty Tree, Independence, and Taxations. We will also make a time line about the Revolutionary War.
