BY APRIL 27TH, 2015
AND ENJOY \$10 OFF.

Room 1- Ms. Diana, Ms. Barbara, Ms. Kendra

Last Month...

Another month went by. We had fun doing art work with the color red, learning about the heart shape, and learning about the sign for cereal/cookie. We also made a special Valentine's craft for Mom and Dad. We also had a good time all dressed up for our Rodeo Breakfast Day!

This Month in March..

Theme- Senses

Color- Green

Shape- Clover

Nursery Rhyme-Clap, clap, clap your hands

Song-Baby Bumble Bee

Sign- Hot

Room 2

Ms. Ana, Ms. Aiesha, & Ms. Jennie

Last month we focused on walls, doors, and hallways. We enjoyed singing “Go in and out the window.” We learned a new nursery rhyme, “I see the moon.” For Valentine’s Day we made our first Valentine’s cards for Mom and Dad.

In March we will be learning...

Theme: Senses

Color: Green

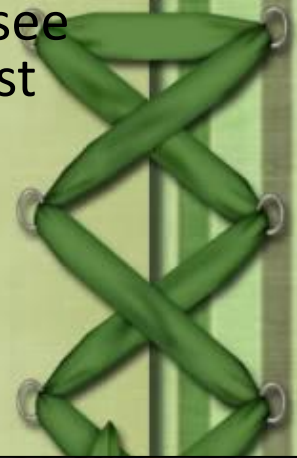

Shape: Clover

Nursery Rhyme: Clap, Clap,

Clap your Hands

Song: Baby Bumble Bee

Sign: Hot

Room 3

Ms. Anneliese and Ms. Julissa

In February we learned about hearts and the color red. We focused on using gentle touches with our friends and using hugs instead of hits. We introduced where the heart is and that it say "boom, boom." We also got to build and decorate our own cardboard house and played inside and learned where the windows were and that we go in and out of the door.

One leaf for

One leaf for
Love

What we are learning in March

Theme-Senses

Color- Green

Shape- Clover

Nursery Rhyme - Clap, Clap, Clap Your

Song- Baby Bumble Bee

Sign- Hot

Goodbye to our friend David. We will miss you!

Room 4

Ms. Ashley A. and Ms. Miriam

In February we learned about the sky, the color red, and the heart shape. We sang songs and made crafts about the things that are in the sky! We also celebrated Valentine's Day and did activities using the heart shape.

What we are learning in March

Theme: Fruits and Vegetables

Color: Green

Shape: Clover

Nursery Rhyme: Grow little seed

Song: We Planted a Seed

Sign: Hot

Hello and welcome to our new friends Blakesly, Layla M, Seth, and Bailey.

Room 5

Ms. Ashley, Ms. Rachelle, and Ms. Yvette

Last Month...

We did a lot of arts and crafts in regards to birds. We made paper plate birds and paper birds with feathers. We also did a birds nest craft with eggs. We had a fun time with our Valentine's Day party. We'd like to thank all our parents who brought Valentine's to exchange with all the children! We would like to give a very special thanks to Mr. Garnica, Mrs. Chapa, and the Lafever family for all their help and support during the party. We appreciate all our families!

This Month in March

Theme: Foods and Nutrition

Science/Nature Focus: Farm Animals

Character Value: Humor

Special Days: Dr. Seuss B-Day

And St. Patrick's Day

We welcome new students Zayla, Micah, and Lillian

Goodbye and Good Luck to Braylon, Connie, and Nathan

Room 6

Ms. Kim, Ms. Pam, & Ms. Gabby

Last Month we soared into outer space with our imaginations. Learned about the planets and created some out of this world art. We discussed all types of birds and learned some interesting facts. We also discovered all different types of transportation and played some cool games! We sang our new favorite song "Orbiting Around the Sun!"

This Month in March

Theme: Foods & Nutrition

Science/Nature Focus: Farm Animals

Character Value: Humor

Special Days: Dr. Seuss's Birthday & St. Patrick's Day

We welcome our new friends Connie, Ainsley, and Nathan to our classroom!

Parents Night Out

Friday March 20th, 2015

6:45pm – 12:00am

Children's Lighthouse Potranco

425 Groesenbacher Rd. San Antonio, TX

78245

1 Child: \$35.00
2 Children: \$50.00
\$10.00 for any
additional children

Room 7

Ms. Lori and Ms. Megan

Last month in February we learned all about transportation and discussed how we get around on land, sea, and air. With that we also learned about spaceships and further discussed outer space. We focused on planet earth, the moon, sun, and stars. In our science focus we learned about different kinds of birds. We classified which ones flew in the air and which was couldn't. As a class we celebrated Valentine's Day with a big party and handed out Valentines to all our friends. Thank you to all our parents that donated! We greatly appreciate your help!

What we are learning in March

Theme: Foods and Nutrition

Science & Nature Focus: Farm Animals

Character Value: Humor

Special Days: Dr. Seuss's Birthday

St. Patrick's Day

We welcome our new Teachers Ms. Megan and Ms. Lori! We are so happy to have them join our team at Children's Lighthouse!

Room 8

Ms. Shana, Ms. Alisha, & Ms. Erica

In February we talked about transportation and outer space. Ms. Shana brought a lot of matchbox cars in which was a huge hit with everyone! We had fun playing with our shadows when we went outside in the sunshine, and looking up into the sky to see objects out in space! We made a lot of Valentine's for the ones we love and celebrated with a class party. Our favorite books this month were, Are you my Mother and The Kissing Hand.

Theme: Food and Nutrition

Science/Nature Focus: Farm Animals

Character Values: Humor

Special Days: Dr. Seuss's Birthday & St. Patrick's Day

We welcome our new friends Adriana and Chayce to our classroom!

We said Goodbye to our friend Braylon.

Room 9

Ms. Denise & Ms. Ruby

In February we focused on transportation and outer space, which the kids loved! For our Science focus we looked at birds. We found out about the different kinds, body parts, and which ones fly and don't fly. We also did some exploring with shadows! We would also like to thank all the parents for helping out on our Valentine's Day party! The children had a wonderful time!

Special Days: Dr. Seuss's Birthday &
St. Patrick's Day

Happy Birthday!

Noah 3/16

Emilia 3/17

Room 10-APK

Ms. Ruth

In February we were able to enjoy our first field trip to the Rodeo, we all had a blast!

Planes, trains, and automobiles!

Transportation was our focus in February along with outer space. We learned all about the planets and stars that are apart of our solar system. In our science/nature focus we learned about all types of birds. We built bird feeders to help feed them during these cold days.

What we are learning in March

- Theme: Food & Nutrition
- Science/Nature Focus: Farm Animals
- Character Value: Humor
- Special Days: Dr. Seuss's Birthday and St. Patrick's Day

Room 10

Ms. Nicole, Ms. Kandice, St. Patrick's Day and Ms. Amber

Last Month in February we were able to work together in groups and talk about Black History Month. We then located important geographic features of Africa.

In March we will be talking about Computers. We will be labeling the parts of the computer, discussing what we use computers for, and teaching each other how to use the computer.
