

November News and Events

Food Drive November 9-20th

We are having a food drive for families in need of food for their Thanksgiving Dinner.

Please bring your donations for our food box by November 20th so we can deliver it in plenty of time for Thanksgiving.

We are able to accommodate a few turkeys also.
Turkeys Welcome!

Each year we look forward to inviting our families to come and celebrate our thanksgiving feast with their child's class. Join us from 11:00am — 12:00pm on Wednesday November

Please help keep our school healthy!

Please keep your child home if they have any of the following symptoms: fever, vomiting, rash within the previous 24 hours, or are not well enough to participate in our program. Children may return to the center when they have been symptom free for 24 hours.

With temperatures cooling down, just a reminder to change out the extra clothes in your child's cubby. Please replace summer clothing with warmer clothing. Each preschool child needs to have at least two sets of clothes including socks & underwear incase of spills or accidents. Make sure to label all items with first and last names.

Parent Reminders:

Parent Handbook pg. 20

For your child's safety, please escort him/her preferably holding hands, while in the parking lot & hallways; and deliver them into their classroom each day.

Infants

Rooms 2 & 3

Room 2 and 3 Theme: Story Book Classics

Color: Brown

Shape: Rectangle

Baby Sign: Sad / Cry

Song: Bumping up and down in my little red wagon

November is here and we are thankful to be spending these up and coming holidays with all of our friends and family! This month we will be focusing on story book classics; while we are listening to the very hungry caterpillar, brown bear brown bear and many more we will get to watch our puppets tell us the story and even make some fun art related to these different characters. You can help us at home by practicing our sign language sad and cry, our goal this month is to be able to sign these two and review all of our other sign language that we have previously learned. Keep a listening ear out for all the giggles and laughter as we sign our song bumping up and down in my little red wagon, as we love to sing songs together!

Toddlers

Rooms 1 & 4

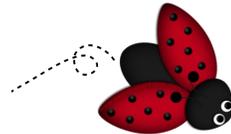

Room 1 Story Book Characters

Color: Brown

Shape: Rectangle

Baby Sign: Sad / Cry

Song: Old Mac Donald

Can you believe that it is almost Thanksgiving already? Pretty soon we will be celebrating Christmas and welcoming in the New Year. For the month of November, our theme is Story Book Characters. Some of the things that we will be focusing on are concepts like classifying things as small, medium, and large, flowers grow in dirt, ducks like water, and spiders create webs. Having story time at home is a great way to continue what they will be learning here at school. You can also communicate the way the characters look, act, feel, etc.

Preschool

Rooms 6 & 7

C.A.R.E.S.

Theme: Thanksgiving, Forest Animals, Native Americans, Leaves, Trees, Corn

Letters: Ff, Ii, Gg

Numbers: 1-25

Color: Orange and Yellow

Goal: Children will be able to distinguish facts about Native Americans, forest animals and much more.

We are approaching the holidays with lots to be thankful for and lots of exciting scents are in the air! As we are learning about our new monthly theme Native Americans and forest animals as well as thanksgiving we will get to create some hands on art like rolling corn, husk art, feathered head pieces, and much more. Our goal this month is to be able to distinguish artifacts and traditions that are apart of the Native American culture. Thanksgiving is coming up and we would love for you to join us for our annual thanksgiving feast where we will be Indians and Pilgrims and practice our gratitude which is our character value this month!

Pre-K

Room 8

C.A.R.E.S.

Theme: Thanksgiving, Forest Animals, Native Americans, Leaves, Trees, Corn

Letters: Ff, Ii, Gg

Numbers: 1-50

Color: Brown and Yellow

Goal: Children will be able to distinguish facts about Native Americans, forest animals and much more.

Autumn has officially made its entrance with this lovely cooling weather. This month we will be focusing on what it means to have a thankful heart. This is the age where they really start understanding what it means to be appreciative of the things around them. We will also be focusing on Forest Animals, Native Americans, Leaves, Trees, and Corn. We will be doing an art project every day to emphasize these themes and to also allow them to practice their own creativity. This month we will also be learning how to count 1-50. Some things to do at home that will correlate with our theme is to take your child outside and count the leaves, or draw pictures of trees. As it gets closer to Thanksgiving, we will be talking about pilgrims and Indians and how and why Thanksgiving first started.

Transitional Kindergarten

Room 9

C.A.R.E.S.

Theme: Thanksgiving, Forest Animals, Native Americans, Leaves, Trees, Corn

Word Families: ip, ub, unk

Letters: Ff, Ii, Gg

Numbers: 1-50

Color: Brown and Yellow

Goal: Children will be able to distinguish facts about Native Americans, forest animals and much more.

It is November, and fall weather is finally here. This month we will be focusing on what it means to have a thankful heart. This is the age where they really start understanding what it means to be appreciative of the things around them. We will also be focusing on Forest Animals, Native Americans, Leaves, Trees, and Corn. We will be doing an art project every day to emphasize these themes and to also allow them to practice their own creativity. This month we will also be learning how to count 1-50. We will be focusing on the following word families: ip, ub, unk, and the following sight words: to, on, up. Some fun things to do at home that will correlate with our theme is to take your child outside and count the leaves, or even draw pictures of trees. As it gets closer to Thanksgiving, we will be talking about pilgrims and Indians and how and why Thanksgiving first started.

School Age

Rooms 5 and 10

Theme: Our Planet- Space

Character Value: Gratitude

Goal: Children will distinguish facts about outer space.

We live in an age of space exploration. Americans have walked on the Moon. Because of all of the recent advancements in technology, we may be able to send astronauts to Mars and other planets one day. In this unit the children will be exploring space. They will be involved in a variety of activities that will expand their understanding of space and increase their zest for exploration. Some activities in this theme are making balloon rockets, constructing a miniature solar system, and reading myths and legends about the universe. With the weather cooling down, this would be a great time to take your child outside and stargaze. If you are lucky, you may even see a meteor shower.

Director's Corner!

Dear Families;

Thank You to everyone who donated and participated in our trick or treat and craft parties. We had a great turn out and a wonderful time!

November is here and we are busy preparing and learning about Native Americans and Thanksgiving. We are having a food drive to help families in need. Every donation will be appreciated!

Janice

Happy Thanksgiving
