

September 2014

**We would like to thank all of our wonderful parents
for coming to our Meet and Greet before school started!**

**We hope that all of your questions and concerns got
tended to.**

**We are also excited to get our CARES program started
in full force!**

**We hope that all of our children and parents had a
great first week of school!**

Reminder:

**We are closed for Labor Day on Monday, September
1st.**

Shrimps & Guppies

Teachers: Ms. Manuela, Ms. Tannis, Ms. Laura, Ms. Ashley, Ms. Lindsay, and Ms. Denise

We will have fun art projects where we paint red apples and yellow buses. We will paint some real pumpkins with our feet for fall! Have a safe Labor Day.

Theme: Big & Little

Color: Red

Shape: Circle

Baby Sign: Big

Rhyme: Eensy, Weensy Spider

Song: Twinkle, Twinkle Little Star

Starfish

Teachers: Ms. Rebecca and Ms. Rachel

We would love to welcome our new babies into the classroom! This month we will be talking about and demonstrating Big and Little in the classroom and on the play ground. We will also be doing some fall art and sensory play.

We will be focusing on the eensy, weensy, spider and twinkle, twinkle, little star as well.

Theme: Big & Little

Color: Red

Shape: Circle

Baby Sign: Big

Rhyme: Eensy, Weensy Spider

Song: Twinkle, Twinkle Little Star

Sea Turtles

Teachers: Ms. Pam and Ms. Shawn

We would like to welcome the newest members of the Sea Turtle crew! We are working with the children on sitting at the table during meal times and drinking out of big kid cups! Please make sure your child has a change of clothes in case of a spill.

Upcoming Events:

Sea Horses

Teachers: Ms. Steffanie, Ms. Des'Mond, and Ms. Cassandra

Welcome back to school, it's time to buckle down and fly high to learning. First, I would like to welcome all of my new students to the Rocking Sea Horse Class and wish my old students good luck in their new classrooms. Our theme for September is All About Me, so parents let's get to work on our mobiles! We will also be talking about the color red, our pets, and apples. On Johnny Appleseed's birthday we will do a cooking project with apples! We will be making apple turnovers.

Theme: Little Animals

Color: Red

Shape: Circle

Baby Sign: Big

Rhyme: 5 Little Monkeys

Song: Pop Goes the Bunny

Jellyfish

Ms. Lindsey

Lobsters

Ms. Jaquie

Hey Parents,

We are so excited to finally get school started with our new curriculum this year. We will be showing them how much fun they can have while learning!

The key concepts for "All About Me" are:

- I am unique.
- I have many body parts.
- I can have many feelings.
- I can use good manners.
- I have five senses.
- People live all over the world and have different cultures.

Parents, we please ask that you not bring the following items into the classroom: Open toe shoes, Sippy cups, Toys/Stuffed Animals (except Fun Friday), and since we are a potty training classroom, please no diapers (Pull-Ups Open Tabs, please).

Thank you for your understanding. Let's have a great year!

Stingrays

Teachers: Ms. Tina and Ms. Melissa

Our Character Value this month is Pride and our Theme is All About Me. We will be working on the letters Aa, Tt, Cc and Mm. We will also be counting up to 30. We are really excited about practicing writing our names as well. Our science and nature focus will be pets, zoo animals, and apples.

Please remember, only small pillows and blankets for naptime. It needs to be able to fit neatly in the cubbies.

Check out all of our extra curricular programs. We will be doing demos and sending home info in the next couple of weeks.

Please also remember to read every night to your child!

Orcas

Ms. Dawn, Ms.
Amilia, and Mr.
Zach

Orcas will be learning the character value “Pride” and will engage in activities that build pride. Your child will learn how unique each person is through “All About Me” activities. The class will be introduced to our class routines and schedules. In science your child will learn about pets and wild animals!

The Orcas will be learning about Johnny Appleseed. To celebrate his contribution the class will have the opportunity to practice using their math skills (measuring) to bake apple spice muffins.

Sharks I, II, and III

We will be learning about media from news reporters to photographers. We are asking if students could bring a disposable camera, comic strips, newspapers, notepads, poster boards, or paper folders so that we can learn about them all.

Later on this fall we will be learning about different careers from doctors to the football players and actors so be ready to play dress up!

Ms. Mallorie and Ms. Milah

We are studying animals for the month of September. This theme will help the children understand the important role that they play in the preservation of animals and their habitats. Some of the interesting things we will be doing include: learning about endangered animals, observing butterflies as they grow from egg to adult, and fun science experiments on Fridays to keep things exciting. September's Day of Celebration will be on September 26th.

Ms. Holli

Staff Birthdays and Anniversaries:

14th— Ms. Tina's birthday

18th— Ms. Devin's Birthday

And a very special happy birthday to the following amazing children:
